

## **TASCON 2025**

### **Information**

The Trauma Anesthesiology Society invites you to attend our conference on 10 October 2025, in San Antonio, TX. We are partnering with our colleagues at University of Texas San Antonio; our conference venue is San Antonio Marriott Riverwalk. The conference schedule will be from 1300-1800 and following we will have a catered dinner, which is included with registration and available to all attendees. Our theme for the conference this year is Airway, and we have a panel of speakers poised to provide excellent educational content for clinical management for airway injuries and emergent airway management in trauma settings. Registration can be done on our website: <https://www.tashq.org>
