

TASCON 2025 - Call for Abstracts

Information

The Trauma Anesthesiology Society invites you to submit an abstract to our conference on 10 October 2025 in San Antonio, TX at the San Antonio Marriott Riverwalk. We will accept academic submissions, and case reports relevant to trauma anesthesia, critical care, pre-hospital care, and trauma simulation. If your abstract is accepted, you will be invited to either display your abstract as an e-poster or an oral presentation. Selected abstracts will be reformatted by the trauma section editor and published in a special presentation on Anesthesia and Analgesia.

Abstract format

- Please use the standard ASA abstract headings: Introduction / Methods / Results / Discussion / References.
- Authors: No more than ten authors are permitted for each abstract.
- There is no word count limit, but the entire abstract (including tables and figures) should fit onto a single page.

General guidelines

- Abstract submission is free and there is no limit on the number of abstracts that can be entered per author.
- Where appropriate, please provide details of ethical committee approval for your work.
- All abstracts accepted for presentation at TASCON, are embargoed (may not be published or publicized) until the date and time of presentation or viewing.
- Authors invited to present their abstracts as oral presentations will be required to attend the TASCON in person between 1300 and 1800 on 10 October 2025 in San Antonio, TX.

Timelines

- April 1st, 2025 - Abstract submission is open.
- August 15th, 2025 - Abstract submission will close.
- Sept 1st, 2025 - Authors will receive acceptance notifications by email.
- Oct 10th, 2025 - TAS Conference venue from 1300 to 1800.

Please email your submission as a PDF with TASCON Abstract in the heading and send it to:
